RE: Summer School Registration

Horizon Middle School will be offering summer school as a project based learning opportunity for incoming 7<sup>th</sup> & 8<sup>th</sup> grade students. This project is developed by a math and English teacher to enhance skills in these areas. Here are the details about this program:

- The project will begin on **Monday, June 3, and end on Thursday, June 28.**
- Classes will run **Monday through Thursday from 8:00 to 11:45 am.**
- Students need to complete 60 hours of class time.
- **Attendance is mandatory** – students need to commit to the entire session.
- Class size is limited to a maximum of 15 students per teacher; therefore, enrollment will be on a first come, first serve basis.
- Busing service is not provided for the summer program. Due to limited funding, there is no supervision for your child before 8:00 am or after 11:45 am.
- During the month of the project, students will receive small group instruction in any skill gap areas in math or reading.
- Students may choose to continue with math and reading remediation using Edgenuity from Monday, July 1<sup>st</sup> through Thursday, July 11<sup>th</sup>, 8:00-11:45 am. **No school July 4-5.**

If you are interested in enrolling your child, please complete the following form and **return to Horizon Middle School by April 3.**
