MEMORANDUM

To: Weston Public Schools Families and Staff
Date: April 20, 2021
Subject: Appointment of Interim Principal for Weston High School, 2021-22

I am pleased to announce the appointment of Juliane Givoni as the Interim Principal of Weston High School (WHS) for 2021-22. Ms. Givoni will assume her new leadership role on July 1, 2021.

Ms. Givoni has been Assistant Principal at WHS for six years. She applied to be Interim Principal to ensure that WHS continues its comprehensive focus on academic excellence, student well-being, robust co-curricular programming, and diversity, equity and inclusion. Ms. Givoni is widely respected for her academic expertise, careful attention to databased planning and decision-making, dedication to continuous improvement, and making time to listen to staff and students. She also is applauded for her calm and patient style.

The district will launch a comprehensive search in December 2021 for the Principal of Weston High School, with a start date of July 1, 2022. Superintendent-elect Lisa Wolak will provide details on the search process once the 2021-22 school year is underway.

Please join me in congratulating Ms. Givoni. We look forward to an excellent school year for WHS with Ms. Givoni's expert and steady leadership. The district will look to appoint an Interim Assistant Principal at WHS later this spring.

Be well.
