

# CATHOLIC SCHOOLS CENTER OF EXCELLENCE

We're pleased to partner with the best of the best to provide summer enrichment opportunities for Catholic school students!

## C-STEM Lending Library

A series of eight videos provided by the University of St. Thomas C-STEM Lending Library — Each video will demonstrate a STEM activity for students to complete. Lessons include: Volcanoes, CO2 Rocket, and Animals in the Neighborhood.

[Click here to access the videos.](#)

A musical theater series of six videos provided by Lundstrum Performing Arts — A teacher and accompanist will lead each video. At the end of the video series, students will have learned the complete "Hakuna Matata" song and dance from "The Lion King." Once students have learned the routine, please record them performing for a fun surprise to be released at a later date!
