*****Important Parents*****

Note that the resumption of all activities and athletics are subject to change based on the most current information, directives from state government and health department officials, and member school feedback.

As coaches we are looking to help students grow and develop their skills and abilities as well as teach them lifelong lessons. At the middle school level, it is important to us that each kid gets an opportunity to play.

What they need at practice:

Appropriate clothing shorts, shirts, etc. Personal water bottle (We cannot share water bottles) Football cleats.

What I need Parents To Do:

1. Please email me a bzabel@bacards.org and state your name and your son who is planning to participate. This will allow me to add your email to my contact list to inform you of any changes or updates that might come up during this time. Also it will help me confirm athlete participation.
2. Please be sure to complete the **Middle School Football Waiver** Form that will be brought home with your child after the Middle School Interest Sign Up day.
3. Please review the Minnesota State High School League Training Guidelines will be followed: (Handout will be sent home) Please work to educate yourself on the Guidelines to help us continue to practice and play in a safe environment.
